

MAINE NVC INTEGRATION PROGRAM SPECIAL OFFER

In alignment with our vision to share & deepen NVC consciousness with as many people as possible, we are once again making a special offer to **first-time participants** in the 2017-2018 NVC Integration Program.

Up to **eight first-time participants** who have **authentic financial limitations** will be invited to participate for less than the full fee request. Most will be expected to contribute a minimum of the Room & Board expense; a few will be able to attend for less.

Basic Criteria:

- You are a first-time participant
- You are fully registered and committed to the program within two weeks of being notified of your scholarship offer
- You are NOT planning to use the program for professional re-certification contact hours (with the exception of people in the Intentional Peer Support Network)

This special offer is our way of infusing the program with energy, and opening up wider possibilities for those for whom finances would be an obstacle.

The offer of free coaching time for early registration will not apply to those registering through this special offer.
